

ONE HEALTH

Central Ohio Animal Response Team (ART) &
Ohio Regional Animal Response Team (ORART #4)

[SIGN UP FOR ONE HEALTH NEWS, UPDATES, & INFO](#)

[CLICK HERE TO GO TO THE ART CALENDAR](#)

Volunteers wanting to help with One Health activities for Homeland Security Region #4 counties (Crawford, Delaware, Fairfield, Fayette, Franklin, Hardin, Knox, Licking, Logan, Madison, Marion, Morrow, Pickaway, Union, and Wyandot) can sign up to receive news, updates and information about upcoming activities. The One Health Initiative brings human health, animal health, and environmental health together. Visit the international *One Health Initiative* webpage [HERE](#).

ONE HEALTH INCLUDES, BUT IS NOT LIMITED TO:

- Disaster preparedness and response
- Human-animal bond and animal rescue
- Agricultural production and land use
- Disease surveillance, prevention and response, both infectious and chronic diseases
- Natural resources and conservation
- Convergence of human, animal, and plant health and the health of the environment
- Professional education and training
- Research - basic and translational
- Ensuring a safe, high quality, available and affordable food and water supply
- Commonality of diseases among people and animals, such as cancer, obesity, and diabetes
- Clinical medicine demand for interrelationship between the health professions
- Environmental agent detection and response
- Public policy and regulation
- Global trade and commerce
- Communications and outreach

VOLUNTEER ACTIVITIES INCLUDE:

- Attending county tabletop exercises (in-person, on line, conference calls)
- Contacting public health, animal health, and/or environmental health agencies, businesses, departments, and organizations
- Developing and editing outreach materials
